*Creative Financial Solutions*

**"AMCI is extremely flexible! I need that for our company. They're always open to possibilities. I find them to be always well thought out and reasonable." Kevin Augustine, ABCO Supply, Billings, Montana**

***Every business is unique***, and we approach them that way! AMCI provides a unique variety of products designed especially for the needs of commercial businesses. For 20 years AMCI has provided funding through lines of credit or factoring. Combined with an Accounts Receivable program, AMCI can provide inventory flooring, new and used equipment leasing - you can even sell your existing equipment to AMCI, and we'll lease it back to you! Our custom financing options are designed with your needs in mind.

## **Accounts Receivables Programs:**

**Lines of Credit: \$500,000 to \$2,000,000** AMCI provides Lines of Credit against accounts receivable and inventory - just like a bank credit line!

**Invoice Factoring: \$50,000 to \$3,000,000 Per Month.** Grow your business beyond the limits of any line of credit - just like a credit card program!

## **Accessory Programs: Accounts Receivable Program Required:**

**Inventory Flooring: \$100,000 to \$500,000** Let AMCI purchase inventory directly from your supplier to take advantage of volume, freight and payment discounts passing on all of the cost savings to you. You pay for the inventory as you sell it.

**Equipment Leasing: \$50,000 to \$250,000** AMCI can purchase new, used or existing equipment you need now and lease it you with affordable monthly payments over a 24 to 48 months period and a fixed purchase buyout.

**TO QUALIFY**, a business applying generally should have:

- Annual sales of at least \$500,000
- Been in business for at least 3 years.
- Facilities located in the Pacific Northwest States of Washington, Oregon, Idaho or Montana
- Commercial business-to-business accounts receivables not in the following industries:  
1) agriculture (as a farmer or grower), 2) general contracting, 3) medical, or 4) insurance billings.
